State Farmers' Union Adopts Own Legislative Platform.

Good Roads One of Main Features Incorporated.

Hutchinson, Kan., Feb. 5.—The legislative platform of the Kansas Farmers' union, adopted at the state convention here, contains twenty-three points. The more important of the proposed new laws are:

Making county a unit of taxation for support of elementary schools, the fund to be distributed to districts in ratio to number of teachers employed. Re-drafting of the state highway laws with a view to taking the burden of improvement taxation from land owners.

Patrol system of upkeep for earth roads.

Enforceable laws to punish profiteers; opposite to price fixing. Tax "all prospect of profit out of land and other natural resources held for speculation."

Abolish "every existing state board and commission" and have their work done by bureaus under elective officers.

Favor law embodying principles of Torrens land title system.

Provision for teaching "principles and purposes of co-operation" in state institutions, and training managers, auditors and accountants for co-operative enterprises.

Continuation of excess profits tax corporations until expense of war is defrayed.

Oppose Cummins railroad bill in congress.

Pure seed legislation.

Favor enforcement of deportation of disloyal aliens and restriction of immigration.

PROF. RICE WILL LEAVE K. U.

Former Managing Editor of K. C. Star Will Take Job in Topeka.

Lawrence, Kan., Feb. 5.—Prof. Samuel O. Rice, director of publicity in the state university, resigned today to take a position as editor of paper, one of the Capper Publications in Topeka.

Mr. Rice has held his present position for three and one-half years, coming here from the managing editor's chair of the Kansas City Weekly Star. He is a University of Missouri man and worked his way thru college by writing for the newspapers. He did his first active newspaper work on the St. Louis Post-Dispatch. He has made a reputation as a farm expert by his articles on agricultural subjects for the Country Gentleman and other farm papers.

Mr. Rice will leave for Topeka as soon as some one can be found to take over his classes and duties here.

Prof. Leon Flint, head of the department of journalism, said he had not yet been able to find a man to take his place.

FORM BIG CORPORATION HERE.

Elmhurst Investment Concern May Raise Capital to \$10,000,000.

It is reported the capital of the Elmhurst Investment company will be increased from \$500,000 to \$10,000,000 at a special stockholder's meeting to be held April 6. It is proposed to change the par value of each share from \$100 to \$10, dividing the capital into 1,000,000 shares. A committee has also suggested distribution of a part of the treasury stock to each stockholder in proportion to the number of shares each owns. The committee making the recommendations was appointed at the regular stockholder's meeting held January 6, composed of G. E. De Golia, of Buffalo, N. Y.; S. E. Cobb, A. A. Godard and N. B. Burge, of Topeka. A two-thirds vote of the stockholders will be required to pass the recommendations.

25 YEARS AGO IN TOPEKA

From the columns of THE TOPEKA STATE JOURNAL

February 5, 1895.

The Mission township farmers have decided to set apart next Saturday as relief day. On that day they will load their wagons with grain and provisions and haul them to the city. The supplies will then be turned over to the state relief committee at their headquarters at 114 East Seventh street.

An oil store in the residence of Geo. D. Walp, at 325 Buchanan street, became unruly and set fire to the room. It was ejected by members of the fire company at station No. 4 on Clay street, and the fire was extinguished without serious damage. This is the second fire caused by oil stores in the past forty-eight hours.

Mrs. P. H. Adams and Miss Beale's Gibson will be the "end men" at the minstrel February 8, and Miss Edna Best will officiate as intercomer.

Mrs. S. T. Fulton of Kansas City will arrive Saturday to visit her mother, Mrs. B. F. Payne, in North Jackson street.

Mrs. O'Brien and Miss O'Brien will return from Mexico next week.

PICTURE OF HEALTH

Kansas City Man Had Suffered Six Years.

Eats Anything, Nerves Steady And Sleeps Like Boy.

"Tanlac has fixed me up so fine I don't believe any man can look at me and tell I was ever sick a day in my life," was the statement made the other day by Joseph A. Ernst of 1235 Central avenue, Kansas City, Mo.

"Before I commenced taking Tanlac I had suffered for four years and I had gotten so bad off it was impossible for me to do a full day's work," continued Mr. Ernst. "My stomach was all out of order, I had little or no appetite and I lost weight and strength until I was as weak as a cat. It seemed that everything I ate soured and caused terrible pains and cramps in my stomach, and I bloated up with gas until I felt miserable. My nerves were all on edge and I was so restless I had forgotten what it meant to get a good night's sleep. I was badly constipated, my complexion turned yellow and I was planning to give up my work entirely."

"But a friend of mine told me what fine results Tanlac had given her, so I started taking it myself and I tell you I began to pick up in weight and strength right along. I have been taking Tanlac three weeks now and already I have gained eight pounds and am as strong as an ox, and I believe I can do the work of two men. I can digest everything I eat and I am enjoying my meals now for the first time in four years. My constipated condition has been relieved, my complexion has all cleared up and I am just feeling like a different man. My nerves are so steady I sleep like a log and I am feeling like my old self again."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 335 Kansas Ave., and 729 Kansas Ave.—Adv.

Ideal Wrinkle Remover Easily Made at Home

If weather, worry or poor health has marred your face with wrinkles or furrows, new, effective, harmless, face lotion prepared by dissolving one ounce of pure powdered sassafras in a half pint of water. This is one of the most valuable astringents, but has a beneficial tonic effect also. The firmer, smoother skin the more youthful appearance, even after the very first application, will astonish and delight you.

You will obtain some witch hazel and sassafras from your druggist and make your own wrinkle remover as directed, you will find this far more effective than massage creams, pastes and other made preparations.—Adv.

REPORT MANY CASES OF RHEUMATISM NOW

Says we must keep feet dry; avoid exposure and eat less meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinges of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.—Adv.
